

RESERVATION AND PRIVATE EVENT POLICY

TABLE RESERVATIONS

Pints will accept reservations for parties of 2-20 guests free of charge. For parties of 10-20, there is a \$50 credit card deposit required to secure the reservation. Reservations for parties over 20 guests is considered a Private Event and Private Event policies will apply. If the party fails to show for the requested reservation within 15 minutes of reservation time, the \$50 reservation charge will become non-refundable for holding the table and the tables will be released for other customers. For table reservations, the beer garden will remain available to other Pints customers as well. It will not be held exclusively for the reservation. If the party would like to have the exclusive use of the beer garden, please refer to Private Event policies stated below.

PRIVATE EVENTS

Private Events will be accommodated on the beer garden patio only with a \$150 deposit required to secure the reservation. During the summer, our retractable roof can be opened for your event (weather permitting). During the winter, our beer garden is fully enclosed and heated. We have 3 TVs available for your guests to view. 50 guests can be fully and comfortably seated. The space can accommodate up to 65 guests standing and sitting. The Private Event will have exclusive use of the beer garden for the duration of the paid event.

Private Events are limited to 3 hours including 2 hours for the event time and 30 minutes each for set up and clean up. Additional hours can be accommodated at the indicated additional hourly rate charge. The additional hourly rate is charged for up to 60 additional minutes. This rate will not be prorated for less time spent. See **Minimum Spend Table** for additional details.

All Private Events will be offered our Private Event Menu and served buffet style. Unfortunately, due to constraints on our kitchen, we cannot accommodate individual food orders for any Private Event. All food items will be included on the host tab. See further information in the **Split Checks** section.

All Private Events are subject to food and beverage minimum spends. See **Minimum Spend Requirements** for additional details. **Final food and beverage selections are due 1 week prior to the event date.** All food and beverages must be purchased from our restaurant per county health department. We will not allow outside alcohol or food items of any kind to be served.

We do not offer beverage packages. Alcohol will be charged based on consumption.

Any and all decorations should be minimal. Any damage to our walls, floors, furniture or general property due to negligence from the host or a member of the party will result in the host's credit card being charged for repairs/replacements. Glitter, confetti or balloons filled with confetti are not

permitted. If you spread glitter or confetti anywhere within the property, we will charge an automatic \$150.00 fee.

SPLIT CHECKS:

All food items will be included on the host tab. Beverages can either be included on the host tab or be paid by individual tables. Pints is unable to accommodate individual tabs for beverages paid by guests. Beverage tabs are per table not per guest. The private event host will be presented with 1 check for all food items at the conclusion of the event and the \$150 deposit will be applied to the final check. An ATM is available on property and there is a bank located across the street for your convenience.

MINIMUM SPEND REQUIREMENTS:

All food and beverage purchased during the event will be applied to the *Minimum Spend* requirement.

- *Minimum Spend* does not include tax and gratuity. Local sales taxes will be applied to the party tab as well as a 20% gratuity charge.
- The *Minimum Spend* requirement can be achieved through running a host tab or through individual tables paying for their own drinks.
- Failure to spend the *Minimum Spend* requirement will result in a charge to the host's credit card on file for the difference and Pints will reserve the right to open the Beer Garden to other customers.
